SIR,

Subject —

With reference to your letter No.L. 301/Ml. 75-36-47 dated 20-7-1937 forwarding the application of D.K. Veerappa, Assistant Sanitary Inspector, Closepet, praying for the grant of furlough leave on full salary for 6½ months to enable him to complete Sanitary Inspector's training at Bangalore, and enquiring about the eligibility of the official for the leave asked for and also as to why his request has not been sanctioned, I have the honour to state that D.K. Veerappa applied for the grant of 9 months leave to enable him to undergo Sanitary Inspector's training at Bangalore from January 1937. He was then entitled to privilege leave for a period of 2 months and 15 days and to 9 months and 6 days furlough. In view of the economy order, he was only granted leave with allowances for a period of 3 months and leave without allowances for the remaining period of 6 months as detailed in the margin in place of furlough, the grant of which was then inadmissible. He subsequently extended his leave by 3 days from 2-10-1937. If his prayer is to be considered favourably, the period of leave without allowances already granted to the official may be converted into furlough and the same extended by another 3 days furlough to which he is entitled.

I have the honour to be,
Sir,
Your most obedient servant,

DEPUTY COMMISSIONER,

jgn,

To

The Secretary to Govt. Development Department.

Through

The Director of Health in Mysore, Bangalore.

Respected Sir,

The applicant begs leave to submit the following few lines for kind consideration and early favourable orders.

The applicant was selected for the training of the Sanitary Inspector as per Director of Health's order No.C.28 dated the 10th December 1936 Accordingly he applied for 9 months leave on 18-12-1936 to enable himself to undergo the full course of the training. Thereupon orders were communicated to him from the President, Municipal Council, Closepet, in his No.127 dated 12-3-37 stating that the Deputy Commissioner of Bangalore Dist was kind enough to sanction leave as follows

Privilege leave 2 months and 15 days from 4-1-37 to 18-3-37

Furlough leave for 15 days from 19-3-37 to 2-4-37 and the rest as leave without allowances for 6 months from 3-4-37 to 2-10-47

In this connection, the applicant begs to state that he joined the service on the 5th May 1938 and has earned so far furlough leave about 1 year and 3 months under articles 209 and 204 M.S R He understands that Government Officers and officials are given such leave as they are entitled to, to enable them to undergo the higher studies here and abroad to better their prospects It appears to him to be of his great misfortune that though he is entitled for the full period he has been only granted leave without allowances for 6 months in addition to the privilege leave

He submits that he is after all a poor official drawing Rs.35/- only He has to meet the term fee of R 100/- and an examination fee of Rs 25/- and other heavy incidental charges and added to this he has to get on with the costly life in Bangalore with his family Such being the case it is needless to say that he has run into great debts having to come to Bangalore to undergo the training for which he was selected

in the interest of the Administration.

Officials like himself who have been selected for the same training from the Bangalore City Municipality, Veterinary Dep and Munsiff's Court, Bangalore, Health and other Local Bodies have been given the full leave to cover the complete course of training and they are paid their full pay, and the applicant is the only unfortunate official who has not been shown this concession.

He once again approached the Deputy Commissioner. Bangalore District to consider his case sympathetically (copy enclosed) but he has been given endorsement in the negative (copy enclosed)

Under the above circumstances, the applicant begs to approach the Benign Government with a fervant hope that they may be pleased to view his hard case sympathetically and leniently and order for the grant of furlough leave for which he is entitled so that he may draw his salary during the course of his training, like officials of the other Departments.

For which act of kindness he shall be grateful.

He begs to remain,

Respected Sir,

Your most obedient servant.
